Assistant Chief

The men and women of the Erlanger Police Department are proud to serve the citizens of Erlanger and Crescent Springs. We provide the highest professional service and challenge ourselves every day to get involved in our communities.

We encourage citizens to give comments and suggestions on how we can better serve you. Our desire is to partner with each community to make it an even safer and better place to live. We cannot be successful alone—we need a strong community partnership to provide the best service.

Our web page gives a brief overview of the Erlanger Police Department. In the future, the web page will be a place where you can find out about upcoming events in the community. We encourage everyone to become more involved in our programs.
