SUBJECT: Silverlake Park Restroom Design/Build Project - *Bid Clarification*

The City of Erlanger is providing the following bid clarifications to all project bidders:

1. The City of Erlanger will be responsible for all civil engineering work associated with this project. All other professional services are the responsibility of the design/build contractor.
2. The exterior concrete walk and plaza (under the aluminum pergola), area as shown on sheet L-2 "Site Plan", is the only exterior concrete associated with this project.
3. The aluminum pergola as shown on sheet L-3 is to be a painted aluminum structure. Similar to the awings found on the front of the World of Golf - Florence Kentucky.
