

ECONOMIC DEVELOPMENT UPDATE

August 2021

Highlights

Thank you to Erlanger's Business of the month for July, **Donato's Pizza**, for sharing information about the business with City Council during the August meeting. Please, stop by the Erlanger location during September or visit their booth at the Summer Sendoff to purchase Cheryl's Cookies for the Cancer Free Kids fundraiser.

Emi Randall began the **Kentucky Institute for Economic Development** training this month. The twenty-hour training program is held each Wednesday from Aug. 18th through Nov. 3rd. It is a critical component in Emi's pursuit to complete the Kentucky Economic Development Professional Certification Program. This month's trainings included an Overview of Economic Development, Strategic Planning and Workforce Development. The program also allows for networking with other Economic Development professionals from throughout the Commonwealth.

Business correspondences were conducted with the following:

- Vintage Business Solutions
- James E. Wilson CPA
- McD Concrete
- Neiheisel Plumbing
- Donato's Pizza
- Local Trends
- Strike and Spare
- Signature Hardware
