

ECONOMIC DEVELOPMENT UPDATE

November 2021

Highlights

Hummel Hatfield Insurance

received a small business grant to repave their existing asphalt parking lot and pave a new parking area that was previously gravel. The finished project looks great! Well done, **Hummel Hatfield Insurance!**

PeeCox Bar & Grill also re-paved and striped their parking lot area. The project was funded in-part by a small business grant. Thank you for investing in Erlanger, **PeeCox Bar & Grill!**

This month, Emi Randall completing the **Kentucky Institute for Economic Development** training program with classes on supply chain management and federal data for economic development research. Emi also attended the **Kentucky Economic Forum** of the Kentucky Association for Economic Development where she learned about best practices with economic development professionals from across the Commonwealth and beyond. Hot topics at the forum included workforce trends, attracting remote workers and growing small businesses.

Business correspondences were conducted with the following:

- PeeCox Bar & Grill
- Conduit Apprenticeship Program
- Skylight Financial Group
- Neiheisel Plumbing
- @Work Personnel
- The Learning Grove
