

# Report of Department Operations

January 2021

FIRE & EMS

*"Performing collectively to provide exemplary services to our community with integrity and pride."*

# Welcoming 2021

2021 will be an extremely busy year for the Erlanger Fire/EMS Department. Not only are we anticipating increased incident/responses, we're also committed to a three-year Center for Public Safety Excellence Accreditation project, improvement of our current ISO Rating, as well as looking forward to the pre-planning stage of a Station #1 remodel. Intertwine those activities with our Members working hard within the Skills-Based Incentive Program, a hopeful return to community outreach programs, and the new year looks to be jam-packed.

A quote from Benjamin Franklin, Father of the Fire Service, *"Without continual growth and progress, such words as improvement, achievement, and success have no meaning."* We look forward to this new year, and everything it may bring, all the while maintaining our focus on providing the utmost in service delivery to the community.

Never hesitate to contact me for anything ~ Chief Whitaker

# Training For the Month

## Pediatric Abuse Head Trauma

**January 11 - 13**

Unfortunately, there has been a trend over recent years with pediatric abuse causing head trauma. The Commonwealth of Kentucky created a training program to help responders recognize and report such abuse. Responders are required to attend this training every two years.

# Training For the Month

## Personal Protective Equipment January 18 - 20

Personal Protective Equipment includes our fire gear and Self Contained Breathing Apparatus (SCBA). During this training Members practiced donning their fire gear and SCBA. Although the State of Kentucky requires this to be done under 3 minutes, our Members completed dressing out in 2 minutes or less.

# Training For the Month

## Hazardous Materials

### Emergency Response Guide

January 25 - 27

Members practiced using an ERG (Emergency Response Guidebook) to look up information for Hazardous Materials.

# Fit Testing 2021

## January 2021

Every year, Members are required to complete fit testing. This is the process to confirm the proper fit and seal of our Self-Contained Breathing Apparatus (SCBA) mask. All Members completed the testing this month.
