"Performing collectively to provide exemplary services to our community with integrity and pride."

Training For the Month

Air Consumption and Fire Gear

January 10 - 12

It is important when working in an hazardous environment to be aware of how long you can breathe air from your SCBA cylinder before you need to exit the environment. Crews inspected their fire gear and performed a timed drill where they performed tasks until they ran out of air.

Training For the Month

Pediatric Emergencies

January 17 - 19

Crews reviewed the Pediatric Emergencies App called HandTevy. This application allows a Member to enter a patient's age and receive treatment and medications for that patient. We practiced several different pediatric emergency scenarios.

Training For the Month

Forcible Entry

January 24 - 26

On occasions, Crews have to force entry for fire attack or to gain access to patients suffering from medical emergencies. Members practiced various forcible entry techniques to be able to quickly make entry and reduce the amount of damage to property.
