

Report of Department Operations

July 2021

FIRE & EMS

"Performing collectively to provide exemplary services to our community with integrity and pride."

The Passing of Kathy Cahill

This month, we're sad to have experienced the passing of Erlanger's own, Kathy Cahill. In addition to her many accomplishments, Kathy served four terms with Erlanger City Council, held the position of Erlanger Community Development Coordinator, and was also a Member of the Erlanger Rescue Squad. Our Department offers sincere condolences to her family.

"As Chief, Kathy welcomed me personally as if I had been a lifelong resident of her beloved city. She was always kind and supportive to any changes or fresh ideas we shared, and never wavered in her support of our Department. We will all miss her, the undeniable laughter, and the true nature of her kind heart." Chief Whitaker

Training For the Month

NFPA 1410 Drills

July 12 - 14

The National Fire Protection Association (NFPA) designs drills for firefighter training. Our Crews executed training scenarios based on the 1410 drills that involve advancing hoselines.

Training For the Month

Rapid Intervention Training

July 19 - 21

If a firefighter is injured or trapped inside a structure, it is up to the other firefighters on the scene to rescue them. Rapid Intervention Training (RIT) focuses on that discipline.

Center for Public Safety Excellence

CPSE Accreditation is an international recognition of achievement. It shows the community that your agency continually self-assesses, looks at opportunities for improvement, and is transparent and accountable through third party verification and validation. Currently, our Department is working on the creation of the Community Risk Assessment - Standards of Cover (CRA-SOC) document which will detail how are Department is currently positioned to handle all the risks associated with our operational responsibilities.
