# Accreditation Team Update

The Accreditation Team spent the month updating the proper "Alarm Times" into Emergency Reporting, our fire reporting software. Every response, beginning in 2018, had to have the alarm time edited to ensure proper documentation and data moving forward. This task incorporated all Members of the Team, involving several days and over 10,000 incidents.

## EMS Supply Donation

**March 2021**

Deputy Chief Wolfe learned of a program where we can donate our expired medical supplies to Lucky Tales Rescue to help treat sick animals. Did you know that albuterol is fantastic for cats with upper respiratory issues? The IV fluids are used for sick animals and many of the medications that we use on humans can be used for animals as well.
