Training for the Month

Active Shooter Training

June 2 - 4 2019

All Crews attended SAVE (Swift Assisted Victim Extraction) training at Lloyd Memorial High School. It is an unfortunate reality that we are faced with the real possibility of a mass shooting, but preparing for such an incident is nonetheless imperative. Our Members, as well as Members from the Elsmere Fire Department and Point Pleasant Fire District, met in order to improve our response to such an incident.

Training for the Month

Reading Smoke

June 10 - 12 2019

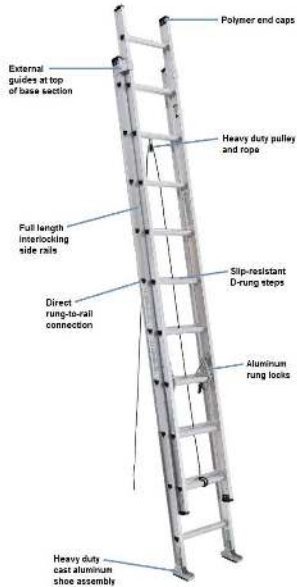

When people think of fire, smoke is an afterthought. Years of research into smoke (brown, grey, black, white) has produced information as to the type of fire, what is burning, the amount of oxygen and the fire intensity. Crews focused on “Reading Smoke” to increase our ability to predict the fire we will be dealing with.

Training for the Month

Ladders

June 17 - 19 2019

Ladders have been a part of the fire service since early times. Ladders not only have the ability to save a person from a window or reach a fire, but they also assist with ventilation. All Crews reviewed the parts of the ladder, the various sizes and configurations we carry, and how to properly deploy the ladders.

Training for the Month

Hose Testing

June 2019

Every year the Department is required to test each section of fire hose. We carry 1 $\frac{3}{4}$ ", 2 $\frac{1}{2}$ ", 3" and 5" hose for various purposes. When testing the hose, we connect it to a pumper and charge the line with water while increasing the pressure. The pressure is maintained for five minutes, and the hose must withstand the pressure with no bulges or leaks. The Department owns over **300** sections of hose.

Training for the Month

New Hire Orientation

June 24 - July 05 2019

With the transition to Full-Time staffing, it was necessary to hire 7 new Members. They are required to complete a two-week Orientation process. New Personnel will be Sworn-In at the July 2nd Council Meeting, and start their assigned shifts on July 7th.

Life Safety Inspections

The department performs Life Safety Inspections for all public buildings in the City of Erlanger. During a Life Safety Inspection, members meet with business representatives and check the buildings to ensure that all codes are met, proper inspections (fire alarm, sprinkler, hood suppression systems and boiler) are maintained, fire extinguishers are current and general fire hazards are recognized. If discrepancies are located, a re-inspection can be performed after the corrections are made. The department is responsible for over **550** inspections throughout the year.

Community Involvement and Public Education

June 1 2019

Erlanger Station 1 - Open House

Erlanger Fire/EMS held an Open House Event at Station One. Approximately 100 people observed our Members perform a vehicle extrication, rope rescue off the roof, and fight a car fire. Air Care landed and gave tours of the helicopter. There was also a kiddie area with a slide and fire prop.

Community Involvement and Public Education

June 4 2019

Depot Days

The City of Erlanger, in conjunction with the Erlanger Library, sponsor Depot Days at the Erlanger Railroad Park. The theme of this day was Local Superheroes. Children in attendance drew fire with chalk on the sidewalk and used spray bottles to “Extinguish” the fire. They also toured Engine 51 and an Erlanger Police cruiser.

Community Involvement and Public Education

June 6 2019

“Touch a Truck”

The City of Erlanger held its annual “Touch a Truck” Event at Lloyd Memorial High School from 6 to 8 pm. Our Members were kept busy with the kids climbing on the apparatus, landing UC Air Care, and handing out plastic fire helmets and stickers.

Community Involvement and Public Education

June 10 2019

Hero Night

Buffalo Wings and Rings hosted a Hero Night at their location in the Crestview Hills Town Center. Several Departments, both Police and Fire, attended to showcase their apparatus. Money raised was donated to the Fallen Police and Firefighter Memorials.

Community Involvement and Public Education

June 10 and 11 2019

CPR classes for the Erlanger Police Department

Lieutenant Lewis and Captain Bohl met with Members of the Erlanger Police Department at the Airport Police Gun Range to recertify personnel in CPR, First Aid and Defibrillator.

Community Involvement and Public Education

June 13 2019

Rainbow Child Care Station Tour

Children from Rainbow Child Care visited Erlanger Station 1 to tour the firehouse, look at the apparatus, and discuss fire safety.

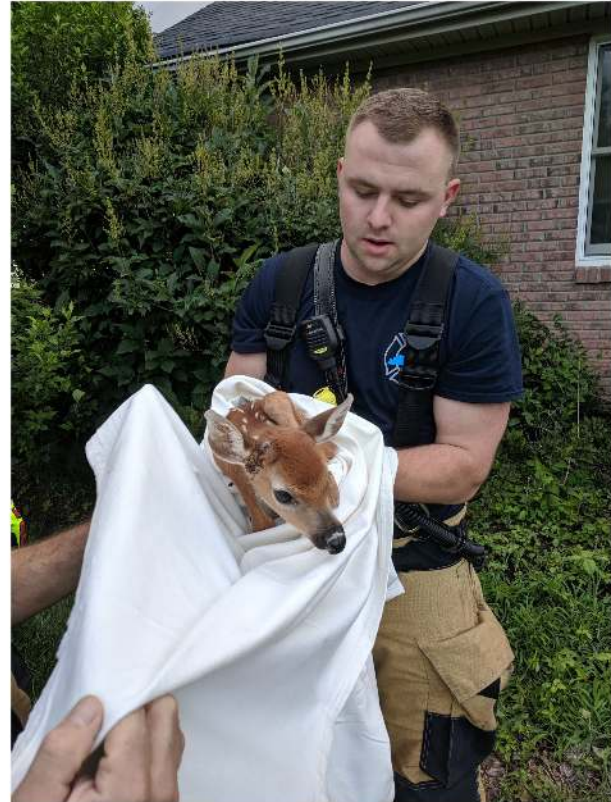

Community Involvement and Public Education

June 13 2019

Deer Rescue

Members responded for a fawn that had fallen into a window well on Brightleaf. Fortunately, Crews were able to safely rescue the deer.

Equipment Spotlight

Rescue Training Manikin

Firefighter/EMT Davis discovered plans for a homemade rescue training manikin using old fire hose. Using the out of service hose and expired fire gear, he created the manikin pictured for Crews to use in simulating victim rescues. If we were to have purchased a manikin from an outside vendor, it would have cost the city over \$800.00.

Part-Time Luncheon

June 27 and June 28

Beginning in July, 2019, Erlanger Fire/EMS will be staffed with all Full-Time Members. In appreciation of the Part-Time Staff and their years of service, the Department held a farewell luncheon to honor those that have served the Department proudly.

Thank
you
