

October 2021

PUBLIC WORKS MONTHLY REPORT

Misty Creek Ribbon Cutting

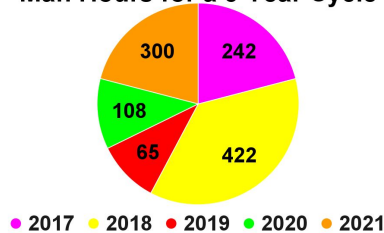

PROJECTS

MISTY CREEK PARK IMPROVEMENT

The Public Works Department has finished the improvements to the park adding new play equipment, landscaping, a sitting wall and a 4 board fence. A ribbon cutting was held on October 15 and the Public Works would like to thank all those who participated.

October Mowing

Man Hours for a 5 Year Cycle

PROGRAMS

2021 Leaf Collection

The 2021 leaf collection program is underway having started on Monday, October 25th. This program will continue for 7 weeks with the last day of pick up being December 10th. A copy of the schedule can be found on the City's website as well as the local banks.

Weather Warriors

The Public Works Weather Warriors were busy in October getting ready for the winter season by going over all the equipment, having the trucks serviced and making sure to have spare parts. This is to ensure that the Exceptional service that they provide continues.

CAPITAL PROJECTS

SAGEBRUSH LN / LEXINGTON AVE.

The Sagebrush Lane street replacement project is complete and the Lexington Drive project is underway with a substantial portion completed.

WOODWARD AVE.

The Woodward Avenue project has begun with one pour left to complete the section from Birch Dr. to Division St.

SHADYSIDE DR.

The Shadyside Drive project is moving along quite well being half complete to date.

SILVERLAKE PARK.

The color coat process has begun on the basketball courts for this project, now let's hope for decent weather to get this completed in a timely manner.

Flagship Park.

The resurfacing project for Flagship Park playground is underway with all of the old surface removed and the new intermediate surface being installed. Once this step is complete the final color top surface will be placed.

TRAINING

Team members are back attending virtual and off site training classes. This classes are part of the Road Scholar / Road Master program hosted by the University of Kentucky Technology Transfer Center.

November Classes:

November 8th & 29th

Team members who are licensed for Pesticide Application will attend one of the two classes to obtain continuing education hours in order to keep their license and certification.

Halloween Event

Public Works team members assisted in the set up, tear down and attended the Halloween Event on October 16th at the Depot Park. The event was well attended and everyone had a great time.
