ADMINISTRATION REPORT

Please find below a brief review of activities that have taken place during the last month along with upcoming items for the current month. As always, please feel free to contact me with any questions.

September Update

The front office of the City Building remains open to the public. Visitors are asked to wear masks and are not permitted in the office area. Other precautions are being taken and masks/hand sanitizer continue to be offered to employees.

Our regional passport center in Charleston, SC has entered Phase 1 of processing passport applications. They are advising people to wait to submit applications since they are not at full capacity yet. We have decided to further postpone this service until they enter Phase 2.

All September events remain scheduled. Each event will be held outdoors. Six foot spacing will be monitored. Kim will keep everyone posted via email and social media sites will be updated if there are any cancellations.

The park shelters remain open and permits are being issued.

The Farmers Market is open every Thursday from 2-6 p.m. in the parking lot of the Erlanger Baptist Church on Commonwealth Avenue.
