## Canine Unit

**Narrative:** Sgt. Clark has been cleared from his knee injury and has been back on the road for two weeks. Both K9 Teams successfully completed their annual certification with the NAPWDA. Both K9 Teams made an appearance at Lloyd Highschool. Originally scheduled for a drug sniff which was cancelled due to weather, the K9 Teams took the opportunity to make a presence in the schools, talk to the kids, and let the kids pet the dogs. Specialist Hartke and Keno also conducted a school sniff at Covington Catholic Highschool.

### Notable Uses

**Comments:** On September 23, 2021 at approximately 1731 hours Covington officers initiated a traffic stop on W 19th Street and Holman Street. Covington officers requested a K9 for a vehicle sniff. Officer Hartke arrived on scene and deployed K9 Keno; being a nationally certified canine team through NAPWDA and OPOTA to detect odors as marijuana, methamphetamine, cocaine, heroin, and their derivatives for a vehicle sniff. During the initial pass around the vehicle K9 Keno showed changes of behavior by changes of breathing pattern, change of search pattern, and gait at the open front drivers side door and open passenger-side door. During the detail pass around the vehicle K9 Keno showed changes of behavior by change of search pattern, gait, and changes of breathing at the drivers side open door. K9 began taking deep nose breaths at the door pocket and then got in the vehicle taking deep nose breaths. K9 Keno showed similar changes of behaviors at the passenger side open door. Search of the vehicle officers located a female wallet in the drivers side door pocket. In the wallet officers located two clear baggies containing suspected crack and two clear baggies containing suspected fentanyl. The driver admitted to the narcotics and stated they were crack and fentanyl. Officers located on the passenger two pills containing suspected ecstasy and a crack pipe containing a small amount of crack.

**Comments:** On September 28, 2021 at 2333, Sergeant Clark responded with his canine partner

Bodo to assist Officer Dennison with the Erlanger Police Department with a traffic stop.

The canine team arrived at 2344 hours to assist. Sergeant Clark made contact with the lone occupant of the vehicle, William Ledonne. Sergeant Clark advised Ledonne of the canine deployment, had him step out of the vehicle, and pat him down for weapons. Canine Bodo was then deployed for a vehicle sniff. During this time, Officer Dennison was simultaneously working on his state citation for the traffic/equipment violations.

The canine team Clark/Bodo is a nationally certified dual-purpose canine team through the North American Police Work Dog Association (NAPWDA). More specifically, canine Bodo is trained to detect and alert to the odors of marijuana, methamphetamine, cocaine, heroin, and any of their derivatives. The canine team has been partnered together since 2017, and have been responsible for hundreds of drug-related arrests over the past four years.

Canine Bodo was deployed for a vehicle sniff. Bodo showed a change in behavior at the driver side door and seat area (focused sniff, body posture, breathing pattern changes). Bodo continued to work the area of the odor at the driver's side door, attempting to jump into the vehicle. His handler prevented him from entering the vehicle to ensure he was not injured. Completing a second pass around the vehicle, Bodo showed continued changes in behavior (head hook at front bumper, working back to driver's side) which was downwind from the driver side of the vehicle. The changes in behavior exhibited by canine Bodo, provided police with probable cause to search the vehicle.

During a search of the vehicle, an orange pill bottle containing a white powder substance was recovered, and a white pill bottle containing two round white pills marked "512" were recovered. The pills were identified as Acetaminophen/Oxycodone 325mg a schedule 2 controlled substance. The white powder was unable to be identified on the scene.

Ledonne was arrested and charged for POCS 1st, Controlled Substance Not in a Proper Container, and Careless Driving.

## **Criminal Investigative Division**

The CID would like to congratulate Detective Justin Auton on being promoted to Sergeant. Sgt. Auton will be back out on patrol. We also would like to congratulate Ptl. Brian Guilfoyle on being selected to be the next Detective replacing Sgt. Auton's position. This month detectives were working on a child exploitation case with the Department of Homeland Security that is a multi-state investigation. There will be more details in the future to come.

## Community Resource Officer

The Citizens Police Academy (CPA) is still looking for members, as there have only been 5 people apply as of late. CRO Loudermilk was heavily involved in the Summer Send Off execution while giving out light up bracelets that had been purchased last year. A Coffee With A Cop is scheduled for October 9th in Counsel Chambers.

## Training / Evidence Management

In final planning and completion of the Operational Plan for the Summer Send Off, Officers met with Norfolk Southern, Independence, Florence Police and Kenton County S.O. Deputies. The law enforcement operation at the event appeared to be a success and a debrief will be documented to facilitate future similar operations.

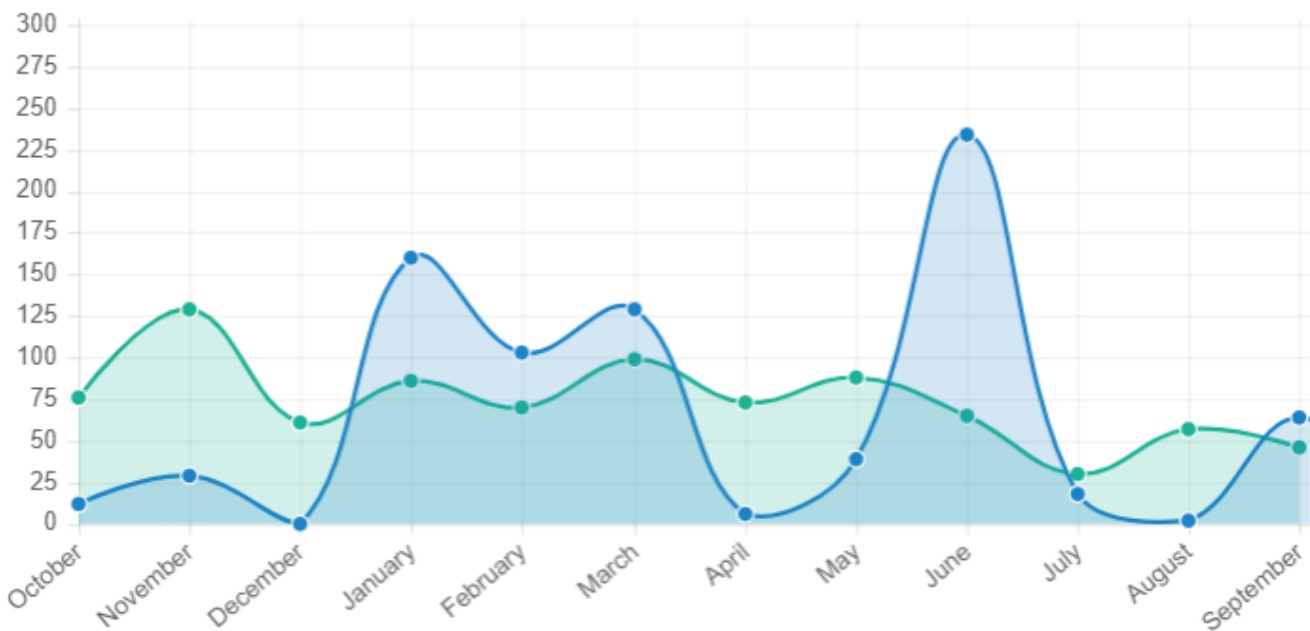

As of this month, arrangements have been made for all Erlanger Officers to complete their required 40 hours of in-service training for 2021. The Department of Criminal Justice Training had previously announced there will be no extensions for 2021. Planning has started on the 2022 Police In-Service schedule, to date, Erlanger will be hosting two 40 hour classes next year.

Erlanger Police will be conducting a joint driver training in conjunction with the Florence Police at the Florence Y'all in October.

Breath Test recertifications, security awareness training, "sexual harassment, dealing with difficult people," non-fatal strangulation and the last of this years CPR training are ongoing this month.

This quarter's evidence destruction order has been received and is in the process of being executed.

Days of School: 23

Still early in the school year so Lloyd is relatively quiet. Several reports that students smelled like marijuana when they arrived. All were searched and nothing was located. On 2 occasions students accidentally dropped amounts of marijuana. They could not be connected to anyone and were destroyed.

K-9s visited. Not searching due to weather but made a PR visit inside. Students were very interested in them and were able to interact with both.

The low but also highlight of the month was staff members saving the life of a teacher who collapsed in the front office. The school nurses did most of the work. Between the CPR they did and the school AED they were able to keep him alive. Erlanger Fire/EMS performed flawlessly also. The teacher has been released from the hospital with the issue hopefully corrected. These people need to be recognized in some way.

radios: 25

In September I began teaching the STAND program at Miles and Lindeman. Currently we have approximately 135 students taking the course. I also continued to do safety checks on the buildings. During September we had a large fight at the crosswalk that resulted in 3 criminal charges for assault. I also attended the Taser training and was recertified in the Taser. I continued to maintain the radios for the elementary schools including programming 23 new radios for Arnett and Howell. I also completed 5 mentorings.
