

June 2022

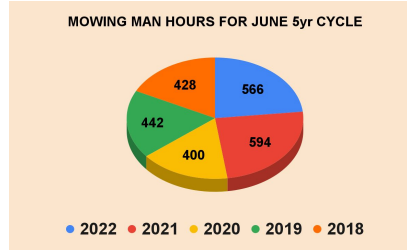

PUBLIC WORKS MONTHLY REPORT

PROGRAMS

Mowing

The PW's crews have **34** city owned properties that are mowed weekly. These properties range from facilities, parks to ROW's. The city also contracts out **13** other properties such as alleyways and other green spaces. PW's crews worked **566** man hours in June keeping the City looking Exceptional.

TRAINING

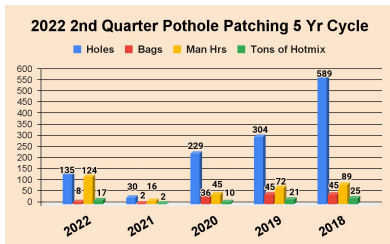

Team members are again attending virtual and off site training classes. These classes are part of the Road Scholar / Road Master program hosted by the University of Kentucky Technology Transfer Center.

PW's Administrative Team is currently scheduling classes for the remainder of the year with the University of Kentucky as well as other organizations that offer a variety of training that pertains to the public services such as Playground Safety Inspector classes, Pesticide classes and American Concrete Institute classes.

PW's currently has one team member who has completed the Road Master course through the University of Kentucky and is awaiting the graduation service. PW's has 3 other team members that will complete this course in 2022 and has 3 more team members that will complete the Road Scholar course in 2022.

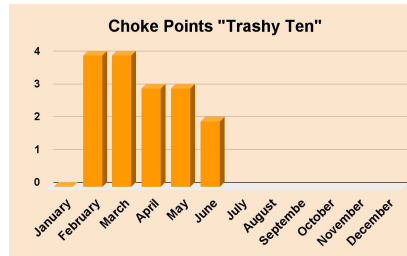

EXCEPTIONAL
EMPLOYEES • SERVICES • COMMUNITY

Potholes

During the second quarter of 2022, PW's crews filled **135** holes with hot mix asphalt or bagged cold patch utilizing **8** bags of cold patch, **17** tons of asphalt hot mix and **124** man hours. The chart shows a 5 year comparison.

Choke Points

The PW's department has choke points throughout the city that are checked for debris before and after a substantial rainfall to prevent flooding issues. PW's refer to these areas as the "Trashy Ten". The Trashy Ten were checked **2** times this month utilizing **7** man hours to do so.

Street Sweeping

A PW's team member swept all the corridors this month such as Commonwealth Avenue, Dixie Highway, Kenton Lands, Dolwick and Turkeyfoot Road and in preparation for the Touch A Truck event, that team member swept Graves Ave and the Lloyd High School parking lot.

CAPITAL PROJECTS

Zeta Ct.

Jefferson Contracting LLC has begun the Zeta Court reconstruction project with a completion date prior to June 31, 2022

Woodward Ave.

The Woodward Avenue street reconstruction project was completed on June 12th 2022.

Silverlake Park Restroom

The new Silverlake Park restroom project is moving along nicely, windows and plumbing fixtures have been installed along with painting of the steel superstructure for the Pergola. The concrete sidewalk around the building and plaza under the pergola will be placed this week.

Silverlake Park Phase 2

Playground equipment is being installed with final concrete and paving to follow.

Stevenson Road Sidewalk

The Stevenson Road sidewalk project has been completed and has made a huge improvement for the kids walking to school as well as the running / walking community.
