

# ECONOMIC DEVELOPMENT UPDATE

## July 2022

### Highlights

Congratulations to our featured business for the month of July, KinderCare. Erlanger KinderCare is filled with interactive learning activities for children. They have a large playground, colorful classrooms, and teachers that are passionate about their work. Visit <https://www.kindercare.com/> to learn more today.

On July 13th, [Advanced Handling Systems](#) opened its new 20,000-square-foot AHS Innovation Lab at 351 Kenton Lands Road. The innovation lab brings 35 new, high-wage jobs with a capital investment of more than \$500,000. It is a demonstration facility for robotic technology for distribution and fulfillment centers – highlighting the company’s latest innovative solutions. The grand opening event was held in tandem with the Package Fulfillment, Logistics and Delivery Expo hosted at the DUKE Energy Convention Center in Cincinnati and brought in event attendees from all over the US. What a great addition to Erlanger!
