PROJECTS

This month the Finance Department submitted the FY 2023 Budget Document for the GFOA's Distinguished Budget Presentation Award Program.

- This award encourages and assists state and local governments to prepare budget documents of the very highest quality that reflect both the guidelines established by the National Advisory Council on State and Local Budgeting and the GFOA's best practices on budgeting. The requirements and criteria for this award allow increased transparency in budgeting.
- The Finance Department has been working on this project since March. The Finance Department is always searching for ways to enhance the budget process from start to finish. We will continue to grow and enhance our budget process and budget book over the next few years.
