## Brian Robinson Retires

After 27 years of dedicated service to the citizens of Erlanger, Deputy Chief Robinson is retiring. Brian started with the department in 1995 as an explorer and became a volunteer member in 1997. In 2004, Brian was hired full-time and moved through the ranks to his current position as Deputy Chief and Fire Marshal. Brian will be greatly missed. He has created many friendships and has been a tremendous asset to our department. Brian's last day will be Wednesday, November 30th. Please take a moment to wish Brian well in his future endeavors.

Our department uses gas monitors to check air quality. These monitors (Sensit Meters) are used for carbon monoxide and natural gas leaks as well as checking the air after a fire. We also carry an ammonia sensor for some of our commercial businesses.
