Investigations/Case Highlights:

- Patrol and Detectives were involved in the apprehension of a Murder Suspect from Cincinnati. Our agency worked in collaboration with the Northern Kentucky Drug Strike Force and the US Marshalls.
- On Thanksgiving, 3rd shift patrol conducted a self-initiated traffic stop that resulted in a Trafficking in Controlled Substance 1st arrest. Through investigation by the initial officer and a K9 officer, a metal box was located, hidden in the engine compartment of the vehicle. The box contained 86 grams of Crystal Meth and an occupant of the vehicle was found to have a large sum of money (\$400)
