

Programs / News:

- Police Department participated in the Erlanger / Elsmere FOP “Cops & Kids” event – 24 students were taken to Walmart to shop for their families and themselves and given Kroger gift cards for meals over the holidays. This is a great partnership with the Erlanger/Elsmere schools who assist in choosing students whose families are in need over the holidays. Our SROs are instrumental in this effort as well. This is our largest community event of the year.
- Police Social Worker Strouse and the E-Angel Program were tremendously supportive in the “Cops & Kids” event, contributing funds to the efforts for our community families.
- An interview panel was conducted this month for the upcoming high school internship program. It was determined after interviews that 3, 6-week internships will be conducted during the spring semester with 3 seniors interested in careers in law enforcement. The initial plan was to choose 1, however all three interested candidates will benefit was the experience

Training:

- Preparations have begun for the F.A.T.S training next month. This will allow Erlanger to host and train numerous NKY police agencies.
- Detective Guilfoyle, Detective Holmstrom, Officer Rose, Officer Jansen, and Officer Dennison attended training at the Commonwealth Attorney’s Office for the newly formed NKY eCrimes Task Force. This task force will focus on electronic and computer crimes.

Investigations/Case Highlights:

- Detective Osterbrook and the NKY Strike Force have been working an investigation that had so far produced 5 arrests and over 100 grams of Methamphetamine from two separate search warrants conducted in NKY. This investigation is continuing.
