

ECONOMIC DEVELOPMENT UPDATE

January 2023

Highlights

Erlanger proudly recognized **Tewes Farm** as our business of the month for January. **Tewes** sells fresh chicken and eggs year round and fresh turkeys for your Thanksgiving and Christmas celebrations. The farm store is open Monday, Tuesday, Thursday, Friday from 10am to 6pm and Saturday from 11am to 3pm.

Niceley's Appliance Repair received a reimbursement for a project through the Erlanger Small Business Grant and Incentive program. **Niceley's** completed new parking lot paving and restriping. Thank you for your investment!

The first ever Economic Incentive and Grant to Demolish Abandoned or Blighted Real Estate was issued this month to Sardar Omar and Nergiz Osman. The couple demolished the blighted structure at 4120 Dixie Highway to make way for a parking lot and enlarged access point for their planned restaurant and bakery in the remaining building toward the rear of the parcel. The couple along with their children reside in the brick home next door at 4122 Dixie Highway. We look forward to seeing the additional investments and a new business in the community.
