Training For the Month

Hebron Fire Protection District

EMS Refresher

January 12 - February 2

Hebron Fire Protection District offers an annual EMS Refresher Class. Members can attend the entire program for a certificate, or just certain portions for credit towards their Paramedic or EMT recertification.

Training For the Month

VEIS

February 13 - 15

Crews practiced a firefighter skill known as VEIS. Vent - Enter - Isolate - Search

This technique is used in a fire when we believe a person is trapped in a certain room that has an exterior window. Firefighters will enter through a window, close the interior door, search for the person and remove them from the building.

Training For the Month

Salvage and Overhaul

February 20 - 23

Salvage and Overhaul are part of loss control in the fire service. Our goal is to minimize loss while confirming the extinguishment of fire. Salvage is performed to preserve property from fire, flooding or other causes of damage. Overhaul is the operation of confirming fire is extinguished. Shifts practiced techniques for both.

Training For the Month

Electric Vehicle Emergencies

February 26 - 28

State Fire - Rescue taught a class to each of our three shifts on responding to emergencies involving Hybrid and Electric vehicles. TANK brought a Hybrid bus to our station to review the different features and built in fire suppression system.

Member Spotlight

Zach Elkins

Firefighter/EMT Zach Elkins started with our department this month. Prior to Erlanger, Zach was a full time Firefighter/EMT with the Elsmere Fire District. He is currently in paramedic class and is assigned to Blue Shift.

Welcome to Erlanger!
