PUBLIC WORKS MONTHLY REPORT

PROGRAMS

Summer Send Off

The PW team has spent the month setting up and preparing for Summer Send Off and Summer Send Off 5K. The countless hours that go into planning and the execution of Summer Send Off really shows this year. The weather was perfect all day.

7 Mile Garden

The PW team was also putting the final touches on the 7 Mile Garden for the upcoming Ribbon Cutting. This has included installing new landscaping along the wall, replacing a couple of Dogwood Trees, and watering all of the new plants.

Mowing

September has been a relatively dry month so mowing has slowed down. The PW team has spent **200 Man Hours** mowing all city properties.

CAPITAL PROJECTS

New Public Works Facilities

Mark Spaulding Construction had the revised footing and foundation plans approved through PDS and should have pricing back from bidders this week. We look for the building to be coming out of the ground during the month of October.

Concrete Street Reconstruction Project

Jefferson Contracting was awarded the project on Circlewood Dr. between Ridgewood Dr. and Heartwood Ln. doing a complete tear out of the concrete street and sidewalks and pouring new concrete. This job is slated to start on November 14th.

Street Repaving Project

Eaton Asphalt has all of the paving complete on the Jacqueline Drive, Kimberly Drive, Mitten Drive and Debbie Lane complete. There is a small amount of restoration along curb line to have this project 100%.

Riegler Blacktop has begun full depth repairs on Summitridge Ln., Crestside Ct., and Spire Cr., once the repairs have been completed milling and resurfacing will begin.

Capital Park Improvements

Beaumont Building Group has given a start date of mid October for the second Phase of Cahill Commons Park improvements.

Railroad Underpass Painting Project

The Public Works Department has finally been granted a Right of Entry permit from Norfolk Southern Railway, we are now awaiting the Proceed with Work letter from the Senior Engineer of Public Improvements. This project should take off in October 2023.
