

Programs:

- Maryann is doing well in her new position of Police Social Worker. She is maintaining and establishing contacts for services which will be beneficial to the program. Maryann and Lt. Klare presented to some groups with Councilwoman Nicely regarding the PSW Program.
- Fiscal Year 22-23 Federal Traffic Grants were finalized this month and new FY 23-24 grants opened with more funding for traffic enforcement. These grants continue to have a positive impact on the traffic safety of our community.
- Officer Lonaker was selected as a member of the Northern Kentucky SWAT Team
- Finalizing training and equipment to implement our Drone Team

Training:

- Training Officer Eagler and Maryann attended training for Post Traumatic Even Support Procedure and Police and Fire Peer Support Team trainings this month.
- Officers Driver’s training was concluded this month.
- Officers took the annual physical fitness tests this month
- Officer Lyle attended Arson Investigation school
- Officers Jansen and Ellison attended school for the Drone Program
- Officers Martin and Ryle attended school for Field Training Officer and will be joining the FTO team.

Investigations/Case Highlights:

- The detective’s office has two Detectives, Loos and Holmstrom who have become Task Force Officers for the Department of Homeland Security. This will be as needed and will additionally enhance our investigative resources.
