## HOLIDAY LIGHT COLLECTION EVENT

Last year, the three Northern Kentucky counties were able to divert 3,097 lbs of lights from the landfill. It is a friendly competition between the three counties, but Kenton County did collect the most lights in 2021 and 2022. Erlanger was a part of this success last year and will be participating again. From December 1 - January 31, 2024, residents and business owners can drop off their used holiday lights at the Erlanger City Building.
