

Programs / News:

- Officers participated in the annual 5K race and Summer Send Off Event. It was a great turn out and operations went smoothly.
- Sergeant EJ Dettmer graduated from the Academy of Police Supervision this month. It is an intense 3-week leadership course.
- PSW Moore attended and accepted a donation from students at Lloyd for “homeless kits” they made. PSW Moore was additionally able to provide items to both our PD and Fire and made additional small food bag donations to “Shower Ministries” to ensure all of the donated kits were used well.
- Applications went out to 4 area high schools this month for the upcoming spring high school internship program. The college internship was successful and we have had additional interest in that opportunity as well.

Training:

- Officer Allgeier and Detective Holmstrom are attending the 2nd phase of the Criminalistic Academy. During the training they will attend a trip to the National Forensic Academy in Knoxville to go to the “Body Farm” where they are able to study the effects of the environment on the decompensation of human remains.
- The department conducted night range qualification for rifle this month.
- Sgt. Rigsby attended drone school to obtain his drone pilot license.
- Both K9 teams received their annual certification through North American Police Work Dog Assoc.

Investigations/Case Highlights:

- Patrol located and made 2 arrests from a Stolen vehicle after an alert from the new Flock cameras. These arrests included additional interviews from a neighboring agency who may have the same subjects involved in an investigation in their city.
