ADMINISTRATION MONTHLY REPORT

Congratulations Rachael

Please join me in celebrating Rachael. She graduated from the Kentucky Municipal Clerks Institute and is now a certified Kentucky Municipal Clerk. The Institute is a three year program which includes classroom instruction, written assessments, public speaking, and active participation. The information learned benefits Rachael in her daily responsibilities in the City Clerk's Office, but also benefits the City as well. Continuing our education keeps us informed on changes, laws, and new opportunities.

Cameras in the Parks

Cahill Commons, Depot, Flagship, and Silverlake Parks not only have wifi now, but will be getting cameras. Jim White has been working with Spectrum to install cameras in these parks. Depot Park's cameras were installed this week.

Grand Re-opening of the Depot Museum

Please join us on December 3, 2024 from 5:00-6:30 p.m. for the grand re-opening of the Railroad Depot Museum. The theme is an "Old Fashioned Christmas" with a focus on "Toys from Christmas Past". Don't forget to send a family holiday photo to Sab at sab.fogt@cityoferlanger.com. The photos will be placed on our "Tribute to Erlanger Families" Christmas trees in the Museum.
