

The City of Erlanger is accepting proposals for full time inspection services for the Dolwick Drive (Kentucky Route 3076) Sidewalk Improvements project. The construction project includes approximately 6,500 LF of proposed sidewalk improvements. The City requires the services of a full-time inspector that is prequalified by KYTC for Construction Engineering Services and Geotechnical Services. The duration of services is anticipated to be 25 weeks during the spring/summer of 2025. The Request for Proposals may be viewed in full on the City's Website at erlangerky.gov and copies may be obtained from the Office of the City Clerk, 505 Commonwealth Avenue, Erlanger, KY 41018, 859-727-2525.
