

April 2025

ADMINISTRATION MONTHLY REPORT

ADA Compliant Website

The City recently made their website ADA compliant. This means our website now ensures that people with disabilities can access the same information as those without disabilities. Some of the profiles supported on the website are: epilepsy safe, vision impaired, cognitive disability, ADHD friendly, blind users, and keyboard navigation. Adjustments can be made to the font, color, animations, content highlighting, audio muting, cognitive disorders, as well as other additional functions.

To find out more about this addition, please visit erlangerky.gov and click on the below icon that appears on every page of our website.
