Investigations/Case Highlights:

- Patrol and Detectives worked on a large investigation with multiple individuals on a stabbing case on Crescent Ave. All parties were identified and the case is awaiting charges with the Commonwealth Attorney's Office
- Officers responded to the report of a subject trying to cash a fraudulent social security check at the Post Office. Their investigation resulted in the arrest of two suspects and the identification of a third suspect for Identity Theft (numerous counts) and Criminal Possession of a Forged Instrument (numerous counts). The same suspects are being investigated in Texas and Virginia for similar/same crimes. Officers collaborated with the outside State agencies to properly identify the suspects and gather further case information. The work by our officers generated enough investigative case information that the Postal Inspector picked up the case to charge the suspects federally.
