PUBLIC WORKS MONTHLY REPORT

PROGRAMS

Street Light Assessment

The PW's department conducted it's quarterly street light check. This quarterly street light check yielded **10** lights that needed attention. **7** of these lights were reported to Duke Energy and **3** was reported to Owen Electric to have repaired.

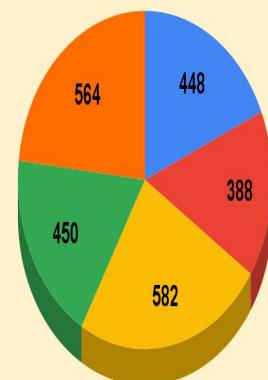

Mowing

The Public Works team members have been busy mowing the City's parks and right of ways. A crew of 4 team members are scheduled to cut all the parks and right of ways every week. PW crews have worked **448** man hours to keep our parks and right of ways looking exceptional.

Facility Services

The PW's department has ongoing programs when it comes to cleaning and maintenance within the facilities. Some things are done daily, weekly, monthly, quarterly and even yearly. Daily and weekly cleanings consist of a team member utilizing **34** man hours a week to clean the City Building and Police Dept. and **4** man hours to clean the PW's facility. Examples of the other schedules are; Garage door inspection and lubrication is done 3 times a year and takes **24** man hours to complete, Rooftop drains and gutters are inspected and cleaned on a monthly basis that takes **2** man hrs to complete. The PW's department also checks fire extinguishers and the circulation pump monthly. A lot of things that most people take for granted.
