# ADMINISTRATION MONTHLY REPORT

## Showcasing Local Artists

The City proudly values the artists whose creations preserve and celebrate the rich history of our community and the men and women who paved the way for future generations. Through their talent and dedication, these artists help tell our story in ways that inspire, educate, and connect us all.

It is our goal to recognize and honor these individuals by showcasing their work at the Depot Museum. We invite you to visit the Museum to view the artwork of the City's own retired police officer, Marvin Releford, whose pieces are also displayed in the Council Chambers at the City Building.

In addition, the Museum features works by other talented local artists, including Tom Gaither, Earl Tayce, Robert Likes, Bill

Parsons, Linda Mardis-Smith, and Dixie. Together, their art reflects the spirit, heritage, and creativity of our community.
